Dear Director Dulles:

In our greed we bombed
ourselves at Pearl Harbor..

I trust that we have
learned that blind selfishness
leads to death.

Enclosed is a label from
a package of firecrackers. I
found it on the ground. Firecrackers
have been popping here for 24
hours a day over a period
of weeks. Our town ordinance
for bids the shooting of firecrackers.

I only know of one Macao

center. "Atomic" on the label
may be prophetic. I hope that
we are not financing nuclear
development for Communist
China.

There has always been
some question about Portugal
in NATO.

I may be unduly suspicious
but it was brave of the first
man to eat an oyster. Someone
has to complain.

Sincerely and patriotically,

[Redacted Signature]
